Home Party, Why Time Management?

Abraham Lincoln (1809—1865):

“You can deceive a person forever or deceive all the people for a moment, but you can’t deceive all the people forever.”

→ “I can entertain a person for a party or entertain the whole house people for a cup of tea, but I can’t entertain the whole house people for a party.”

Designing a Home Party needs:

- What
- Who
- When
- Where
- How
