

Write an essay of five paragraphs to explain three reasons why you wish to enter the English Department at Chinese Culture University or other universities. The first paragraph of your essay will be the introductory paragraph; from the second to the fourth paragraphs, you are going to state the three reasons respectively for your wishing to attend the English department. And the fifth paragraph will be the concluding paragraph of the essay.

Before writing the essay, write one sentence to state the thesis of the main ideas of the whole essay you are going to write about. And then write one topic sentence for each paragraph to express the main idea(s) you are going to write about in each paragraph.

Your examination of this English Composition will consist of the following two parts. Write all your answers of both parts in the test booklet.

- I.
 1. one sentence to state the main ideas of the whole essay (5%)
 2. one sentence to state the main ideas of the first paragraph (5%)
